Enhance internal mobility
by making sure everybody
is informed and engaged

online

 Event-driven talent acquisition

Why an Internal Mobility Booster

We give your internal mobility initiatives a boost, creating awareness and excitement, while ensuring all employees are informed and curious about your opportunities.

Say goodbye to:

- Frustration over lack of internal applicants
- Lack of transparency surrounding internal mobility
- Perception of internal mobility as a complex and unattractive experience
- Hesitancy among employees to enquire about internal opportunities
- Discontent among line managers regarding team member departures

Why us

As an event-driven talent acquisition company, we are uniquely positioned to support organisations in enhancing their internal mobility initiatives.

- Tried-and-tested approach in getting talents curious about job opportunities and motivating them to apply
- Guidance on selecting relevant and compelling content that resonates with talents
- Proven communication techniques that ensure maximum reach and impact

From 'solo' to 'all-in-one' solutions:

We define the right solution to power your existing internal mobility initiatives to:

- Maximise **employee awareness & engagement**
- Empower your employees to explore and **apply confidently**
- Get your **Hiring Managers** on board
